EDUCATION/EXPERTISE

After his studies of Business Administration at the universities of Konstanz in Germany, Grenoble in France and Rutgers in USA, Thomas Ingelfinger held various positions in the Beiersdorf Group for 36 years. Most recently, he was responsible for the cosmetics business in Europe on the Executive Board of Beiersdorf AG until his retirement in 2022. He thus has many years of experience and expertise in brand management of some of the world's best-known consumer brands, as well as leadership experience from a listed, internationally operating company.
